Honorable William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

The United States Army is interested in developing an Intra-Governmental Research Fellowship with the Central Intelligence Agency beginning in August 1987. We are asking your agency, along with other governmental agencies, to participate because of the tremendous potential for sharing research and information on issues of mutual concern.

The officer selected as the recipient of the fellowship will be selected by a board of U.S. Army General Officers. The officer selected will be either a lieutenant colonel or a colonel, and will possess the professional or civilian education background compatible with the activities of your organization. The fellowship would last for one year. The Army will fund the fellowship, including any travel (TDY) required to enhance the research effort. Your contribution would be office space, telephone access and administrative assistance necessary to produce a final research product.

I would like to meet with a representative of your agency to explain our proposal in detail. My office telephone is (202) 325-8141. Thank you in advance for your consideration and I anxiously look forward to discussing our fellowship proposal with you or your designated representative for the fellowship.

Most respectfully,

Charles A. Hines
Brigadier General, U.S. Army
Director of Officer
Personnel Management
